# TOWN WARRANT

## COMMONWEALTH OF MASSACHUSETTS

Worcester, ss.

February 26, 1944

To either of the Constables of the Town of Southborough,  
Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Southborough, qualified to vote in elections and Town affairs, to meet in the Town House in said Southborough, on

**Monday evening, March 13, 1944**

at seven o'clock, then and there to take action on the following Articles:

Article 1. To choose a Moderator to preside in said meeting.

Article 2. To hear the reports of the various Town Officers and Committees or do or act thereon.

Article 3. To raise such sums of money as may be necessary for the Town's use and make appropriation of the same.

Article 4. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1944, and to issue a note or notes therefor payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44 of the General Laws, as amended, and pass any vote or take any action in relation thereto.

Article 5. To see if the Town will authorize the Board of Assessors, subject to the written authority of the Commissioner of Corporations and Taxation, to use free cash in the Town Treasury, and if so, what sum, for the purpose of

reducing the amount to be raised and assessed as taxes in 1944, or pass any vote relative thereto.

Article 6. To see what disposition shall be made of the dog money.

Article 7. To see if the Town will accept contributions from the Saint Mark's School and the Fay School, if any, and determine what disposition shall be made of the same if accepted, or do or act thereon.

Article 8. To see if the Town will raise and appropriate the sum of \$150.00 to defray the expenses of Memorial Day, May 30, 1944, observance, or do or act thereon. (Proposed by Leo L. Bagley Post, No. 161, the American Legion.)

Article 9. To see if the Town will raise and appropriate the sum of \$15.00 for the Memorial Day, May 30, 1944 observance exercises, under the auspices of the Choate Post 3276, Veterans of Foreign Wars, or do or act thereon. (Proposed by Choate Post 3276, Veterans of Foreign Wars.)

Article 10. To see if the Town will authorize the sum of \$250.00 to be expended from the Cemetery Reserve Fund: \$150.00 for the purchase of loam, the payment of labor, etc., and \$100.00 for the maintenance of the Old Cemetery: or otherwise do or act thereon. (Proposed by the Cemetery Commissioners.)

Article 11. To see if the Town will vote to raise and appropriate the sum of \$300.00 for the purchase of Concrete Grave Liners, to be carried in stock and sold to lot owners as needed. These liners will take the place of pine boxes, thereby saving the Town the expense of filling sunken graves. (Proposed by the Cemetery Commissioners.)

Article 12. To see if the Town will raise and appropriate the sum of One Hundred (\$100.00) Dollars for private work on the so-called George B. Herrick and Dr. Roland Newton Cemetery Lots, such sum to be expended under the supervision of the Cemetery Commissioners, or do or act thereon. (Proposed by the Cemetery Commissioners.)

Article 13. To see if the Town will vote to accept granite curbing valued at \$700.00 from the owners of the George B. Herrick and Dr. Roland Newton Cemetery Lots, and au-

thorize the Cemetery Commissioners to use said curbing as they deem advisable, or do or act thereon. (Proposed by the Cemetery Commissioners.)

Article 14. To see if the Town will vote to change Article I, Section 1 of the Town By-laws to read as follows: The annual Town Meeting for the transaction of business, except the election of Town Officers and the voting upon questions as required by general or special law shall be held on the second Monday of March at seven o'clock in the afternoon. The election of Town Officers and the voting on questions as required by general or special law shall be held on the third Monday of March. The polls shall be opened from six o'clock A. M. to eight o'clock P. M. (Proposed by the Board of Selectmen.)

Article 15. To see if the Town will vote to raise and appropriate the sum of \$300.00 for the purchase of a power sand spreader for the Highway Department or do or act thereon. (Proposed by the Superintendent of Streets and the Board of Selectmen.)

Article 16. To see if the Town will vote to raise and appropriate the sum of \$6,500.00 for the purchase of a Motor Grader for the Highway Department or do or act thereon. (Proposed by the Superintendent of Streets and the Board of Selectmen.)

Article 17. To see if the Town will vote to take \$25,000.00 from surplus for the purchase of War Bonds to establish a Post War Rehabilitation Fund in accordance with Chapter 5 of the Acts of 1943, or do or act thereon. (Proposed by the Town Treasurer.)

Article 18. To see if the Town will vote to raise and appropriate the sum of \$50.00 for the use of the Planning Board in 1944, or do or act thereon. (Proposed by the Planning Board.)

Article 19. To see what action the Town will take in regard to establishing a waiting station at Fayville. (Proposed by Florence J. Trioli and ninety-eight others.)

Article 20. To see if the Town will vote to appropriate the sum of \$50.00 for private tree work, or do or act thereon. (Proposed by the Tree Warden.)

Article 21. To see if the Town will vote to rescind the action taken under Article 25 of the Annual Town Meeting held Monday, March 9, 1942 and vote that any sum appropriated thereunder be returned to the Treasury, or do or act thereon. (Proposed by the Advisory Committee.)

Article 22. To see if the Town will vote to rescind the action taken under Article 19 of the Annual Town Meeting held Monday, March 9, 1942, which permitted use of Government Administration money under Old Age Assistance to be used for any member of the Board of Public Welfare doing the actual detail work of investigation for the bureau of Old Age Assistance. (Proposed by the Board of Public Welfare.)

Article 23. To see if the Town will vote to raise and appropriate the sum of \$1,585.00 for Highway Equipment and Maintenance, or do or act thereon. (Proposed by the Superintendent of Streets and the Board of Selectmen.)

Article 24. To see if the Town will vote to raise and appropriate the sum of \$6,900.00 for maintenance of Chapter 81 roads, or do or act thereon. (Proposed by the Superintendent of Streets and the Board of Selectmen.)

Article 25. To see if the Town will vote to raise and appropriate the sum of \$700.00 for the maintenance of Chapter 90 Highways; said money to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose, or take any other action in relation thereto. (Proposed by the Superintendent of Streets and the Board of Selectmen.)

Article 26. To see if the Town will take any action regarding the relocating of the Town Dump, and make appropriation therefor, and appropriate money for the upkeep thereof, or do or act thereon. (Proposed by the Board of Selectmen.)

Article 27. To see if the Town will vote to appoint a committee to investigate the need of a Garbage Disposal System and to find out the cost of maintaining one. (Proposed by the League of Women Voters.)

Article 28. To see if the Town will vote to accept Section 3A of Chapter 115 (Tercentenary Edition) of the Gen-

eral Laws, which states, in part: "In a city or town which has duly accepted this section, no almoner or member of the Board of Public Welfare, or officer performing similar duties, or an agent of any of them, shall directly or indirectly act as agent or disbursing officer of the aldermen or selectmen for the payment of state military or soldiers' relief . . ." (Proposed by Choate Post 3276, Veterans of Foreign Wars.)

Article 29. To see if the Town will appoint a Post-War Planning Committee and appropriate one thousand dollars for the necessary expenses that may be incurred by such committee, or do or act thereon. (Proposed by the Board of Selectmen.)

Article 30. To see if the Town will vote to raise and appropriate such sums of money as may be necessary to install a drainage system which will be adequate to drain the property bounded on the north by Main Street, on the east and South by land of the New York, New Haven and Hartford Railroad Company, and on the west by the road leading by the Southborough Garage, or do or act anything in relation thereto. (Proposed by Mary G. Firmin and 15 others.)

Article 31. To see if the Town will vote to raise and appropriate the sum of \$300.00 for Playground activities, managed under the direction of the Selectmen, or do or act thereon. (Proposed by Mary E. McCann and 10 others.)

Article 32. To see if the Town will vote to raise and appropriate the sum of \$2,123.37 to pay the assessment of the County Commissioners for care and maintenance, in connection with the Worcester County Tuberculosis Hospital District, or do or act thereon. (Proposed by the Board of Selectmen.)

Article 33. To see what action the Town will take regarding the acceptance of a new street leading off of Lyman Street, a distance of approximately 600 feet, known as Hillside Avenue, situated between the houses of Charles H. Newton, Joseph Trioli, and Margaret A. Salmon, or do or act thereon. (Proposed by William G. Salmon.)

And to notify the inhabitants of the First Precinct of the said Town of Southborough, qualified to vote in elections, to meet in the Town House in said Southborough, and the in-

habitants of the Second Precinct of the said Town to meet in the South Union School, on

**Monday, March 20, 1944**

then and there at those places to bring in their votes to the Election Officers of the respective Precincts for: Town Clerk, Treasurer, Collector of Taxes, one member of the Board of Selectmen for the term of three years, one member of the Board of Assessors for the term of three years, one member of the School Committee for the term of three years, one member of the Board of Water Commissioners for the term of three years, one member of the Board of Public Welfare for the term of three years, one member of the Board of Health for the term of three years, one Cemetery Commissioner for the term of three years, two members of the Board of Trustees of the Library for the term of three years, one member of the Board of Trustees of the Library for two years, one member of the Planning Board for the term of five years, and a Tree Warden for one year.

The Polls in each Precinct will be open at six o'clock in the morning and will be closed at four o'clock in the afternoon of said day.

And you are to give notice hereof by posting true and attested copies of this warrant at the Town Hall, the Fayville Hall, all the Railroad Stations in the Town, the Post Offices in Southborough, Fayville, Cordaville and Southville seven days at least before the time appointed for such meeting.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk on or before the time set for said meeting.

Given under our hands this twenty-sixth day of February in the year of our Lord one thousand nine hundred and forty-four.

## REPORT OF THE ADVISORY COMMITTEE FOR 1943

---

February 5, 1944

To the Citizens of Southborough:

Your Advisory Committee wishes to deviate from its customary procedure in presenting its annual report for it deems it advisable to inform the citizens of the method used in arriving at its recommendations. Upon receipt, a budget request is carefully checked over by the six members of the board. Whenever a question arises, as is often the case, the board submitting said budget is asked to meet with us. Together the items in question are discussed. If possible, we have a follow up procedure, in which case one or more members of the Advisory Committee conducts an investigation and reports to the full committee. If, after careful study and consideration, we believe that the items in question are not warranted or are unnecessary, we disapprove them. However, this disapproval does not preclude their consideration at the town meeting, since both the requested sums and the recommended sums are shown in our report. Whenever possible the differences of opinion between the requesting board and your Committee are ironed out and an agreement is reached before town meeting.

The duties of your Committee, as set forth in the Town By-laws, are, in substance, to consider all matters involving expenditures of money, creation of debt or disposition of town property included within the articles of any town warrant. When we perform these duties we endeavor at all times to act in the best interest of the voters and at the same time to attempt to keep the various town departments operating at utmost efficiency. Realizing that each voter cannot investigate and inquire into all the expenditures of the various town departments, we feel we are acting for each individual taxpayer and citizen. With this thought in mind we have earnestly endeavored to make decisions which we felt would reflect the will of the majority.

For the year 1943 the amount appropriated for the Reserve Fund was \$2500. Of this only \$879.78 was transferred. This is a remarkable showing when one realizes that for the past six years the average yearly transfer from the Reserve Fund has been \$2289.99. The credit for this fine record belongs to the majority of the town departments.

Article 3. Under this article come all the appropriations for the general government of the Town, and the recommendations of the Advisory Committee are shown in tabulated form, as a part of this report.

A recommendation will be made at the Town meeting on March 13 on the following articles:

Articles 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 15, 16, 17, 18, 20, 21, 23, 24, 25, 26, 29, 30, 31, 32.

Mr. Theodore N. Waddell  
Director of Accounts  
Department of Corporations and Taxation  
State House, Boston

Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the town of Southborough for the period from September 3, 1940, the date of the previous audit, to March 19, 1943, and submit the following report thereon:

The financial transactions, as recorded on the books of the several departments receiving or disbursing money for the town or committing bills for collection, were examined and checked.

The books and accounts of the town accountant were examined and checked in detail. The ledger was analyzed, the appropriation accounts being checked to the town meeting records of appropriations and transfers voted, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on March 19, 1943.

The books and accounts of the town treasurer were examined and checked in detail. The recorded receipts were analyzed and compared with the collector's records of payments to the treasurer, with the records in the several departments in which charges originated or in which money was collected for the town, and with the other sources from which money was paid into the town treasury. The recorded disbursements were compared with the warrants authorizing the treasurer to disburse town funds and with the accountant's books.

The cash book footings were verified, and the bank balances were reconciled with statements furnished by the banks of deposit.

The payments on account of debt and interest were checked with the amounts falling due and with the cancelled securities on file.

The savings bank books and securities representing the investments of the several trust funds in the custody of the treasurer were examined and listed, the income being proved and the withdrawals verified.

The tax title deeds on hand were examined and listed, the amounts transferred from the tax levies to the tax title account being verified and the tax titles as listed being checked with the records at the Registry of Deeds.

The books and accounts of the tax collector were examined and checked in detail. The commitments of taxes were compared with the warrants issued by the board of assessors, the recorded abatements were checked with the assessors' records of abatements granted, the recorded collections were checked with the payments to the treasurer as recorded on the treasurer's and the accountant's books, and the outstanding accounts were listed and proved with the controlling accounts.

Verification of the outstanding taxes was made by sending notices to a number of persons whose names appeared on the books as owing money to the town, and from the replies received it appears that the accounts, as listed, are correct.

The records of licenses and permits issued by the selectmen, town clerk, and the health department were examined and checked and the payments to the State and the town were verified.

In checking the paid vouchers on file it was noted that payments have been made by the town to cover premiums on an accident insurance policy for volunteer firemen, although this does not appear to be a purpose for which town funds may be appropriated under Section 5, Chapter 40, General Laws.

The surety bonds of the officials required by law to furnish them were examined and found to be in proper form.

In addition to the departments mentioned, the books and accounts of the sealer of weights and measures, and of the municipal buildings, police, tree warden, moth, highway, public welfare, library, water, and cemetery departments were examined and checked, and the payments to the treasurer were verified.

For the cooperation extended by the several town officials during the process of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

HERMAN B. DINE,  
Assistant Director of Accounts

## REPORT OF THE BOARD OF SELECTMEN, 1943

In accordance with the By-Laws of the Town, the Annual Report of the Board of Selectmen is hereby submitted.

Regular meetings were held on the first and third Friday evenings of each month. Special Meetings and Hearings were held when necessary.

Mr. Hamilton Armstrong was reappointed Clerk of the Board at the first meeting.

Reports of Departments under the supervision of the Board of Selectmen appear elsewhere in the Town Report.

In March the Board organized with Mr. George H. Burnett, the newly elected member present. Mr. Arthur L. Hosmer was elected Chairman.

The names of Committees and Heads of Departments appointed, appear in the report of the Town Clerk.

Mr. Phillips D. Jones resigned as Chairman of the Southborough Committee on Public Safety and Mr. Hamilton Armstrong was appointed Chairman for the remainder of the term.

Mr. David H. Smith resigned as a trustee of the Library and Mr. Harrison Reinke was appointed for the remainder of the term.

War Damage Insurance was again placed on all Town Buildings.

Mrs. Charles Corbett was appointed as Clerk by the Town Treasurer, and in accordance with law the appointment was approved by the Board of Selectmen.

The drainage project at East Main Street and Boston Road has been completed. Some delay was experienced because of difficulty in getting essential piping and other materials.

We take this opportunity to thank the Headmasters of the Saint Mark's School and the Fay School for the use of the School Swimming Pools during the summer months. The cooperation of the Water Department in this respect was greatly appreciated.

We record the passing of Mr. Charles O. Misener, former member of the Board of Selectmen. He will long be remembered for his faithful service to the Town.

ARTHUR L. HOSMER  
 GEORGE A. LABARRE  
 GEORGE H. BURNETT

## ANNUAL REPORT OF WATER COMMISSIONERS

Herewith is presented the Fourteenth Annual Report of the Water Commissioners for the year 1943.

### Consumption of Water

The total amount pumped for the year was 56,636,000 gallons, or an average of 153,760 gallons daily.

Property owned by the Town used 4,153,000 gallons. (This does not include the Fire Department, Moth Department or Street Department.)

Several property owners outside the pipe lines were supplied with water during the summer and fall.

During the summer months the Fay School swimming pool was opened to the Townspeople. The Water Department filled this pool three times plus adding water several times.

### Services

Six services were added during the year as follows:

James Wilensky, Oak Hill Road  
 Geno Tomacetti, Southville Road  
 George Miller, Turnpike Road

George Baker, Marlborough Road  
 Clara Jacobs, Woodland Road  
 Alice Sawin, Latisquama Road

### General

The Fayville Tank was painted during the month of September, with two coats of Red Lead as planned on the inside of the Tank, and one coat of Camouflage paint on the outside.

All main gate valve boxes are raised to the surface of the streets.

There was one call for main line emergency repairs during the winter, this was for a hydrant on Newton Street, which was struck by an automobile about 5:30 A. M.

### Pumping Station

Some painting has been done in the inside of the station during the year.

The pumping station log has been kept also on operating cost sheet of the truck.

### Revenue

Income from Water Rates in 1943 amounted to \$18,096.22 as compared to \$15,030.55 in 1942.

## REPORT OF BOARD OF HEALTH

The Board of Selectmen,  
Town of Southborough, Massachusetts.

Gentlemen:

The Board of Health hereby submits the following report of its work for 1943:

The annual spring rubbish collection was carried out by the Highway Department but due to the many salvage, tin and paper drives it was felt a fall collection was not needed.

The diphtheria clinic was held during the fall for the first time in three years, the details of this work will be found in the School Nurse's report.

The Well Child Conference scheduled for October had to be cancelled because of the outbreak of scarlet fever and it is hoped the clinic may be held in the spring. Mrs. Baker has very efficiently carried out the follow up work of last year and many health defects early detected have prevented later real trouble.

We have two patients at the Worcester County Sanitarium and cases needing X-ray and treatment have been transported there by Mrs. Baker.

Much preliminary and contact work has been done towards the establishing of a Public Health Nursing Service but we realize the completion of this work will take time and funds.

We regret to announce that Dr. Hugh Folsom will not be a candidate for reelection in the spring because he is no longer a resident of Southborough but he is willing to serve in an advisory capacity.

The contagious disease report for 1943 is as follows:

## REPORT OF CEMETERY COMMISSIONERS

To the Honorable Board of Selectmen,  
Town of Southborough, Massachusetts.

Gentlemen:

Your Board of Cemetery Commissioners take pride in presenting to you their report for the year 1943.

This year the Rural Cemetery reached a perfection, seldom attained in a town of our size, due to the excellent teamwork between Superintendent and employees. We feel that we are fortunate in having a Superintendent of proven

ability and are thankful to his two employees for their faithful co-operation in such trying times.

The turnout of town organizations and their assistants on Memorial Day was deeply appreciated by all in attendance and the cemetery was at its best for the occasion.

During the year it was our misfortune to inter the remains of 16 of our town folk and we sympathize with their relatives and friends on their personal loss.

A matter of concern to the Board is the number of sunken graves encountered during the year. This year it was necessary to refill 80 sunken graves at a cost of \$240. We feel this condition could be eliminated by the use of cement grave liners instead of pine boxes. We have inserted an article in the Town Warrant for your consideration to establish a revolving fund for the purchase of grave liners in order that we may have a supply on hand for use when needed.

This year, due to excellent weather in the latter half of the year, we repaired over 400 monuments and stones.

Many of these stones were in a precarious condition and we felt that the expense involved was warranted from a safety standpoint alone, to say nothing of the preservation of the markers of our beloved deceased.

We hope that we may maintain our present high standard during the year 1944.

Respectfully submitted,

EDWARD C. RAMSDELL, Chairman  
PATRICK J. O'REILLY  
JOHN J. O'REILLY

## ASSESSORS' REPORT FOR 1943

Board of Selectmen,  
Gentlemen:

Herewith we submit a recapitulation of figures for 1943. Your attention is directed that all the males who have reached the age of 70 years are exempt from the payment of Poll taxes provided the Assessors have on file an application from them.

The Poll taxes of those in the Armed service are also abated under authority given us by Mr. Long's office. Those in the Armed service owning property or Real Estate assessed in the name of their spouse, may make application prior to Feb. 1st, following their entry into the Armed forces, for exemption for Real Estate taxes, and if in the opinion of the Assessors the payment of such tax would constitute a hardship, it may be abated.

For the duration of the war, it appears that there cannot be any increase in valuation and from such papers as we now have on file, requesting unusually large adjustments in regard to valuations.

Considering the above and the fact that no doubt the estimated receipts and available funds for 1944 will be somewhat less, the voters should realize their responsibility in determining the tax rate for the coming year.

During December of this year Miss Nora Roache and Mr. William Davis were appointed by the Assessors as Assistant Assessors.

Board of Selectmen,  
Southborough, Massachusetts.

Gentlemen:

I hereby submit my report for the year ending December 31, 1943:

- 70 calls made to force payment of licenses
- 11 strays picked up on calls, board and disposal attended to
- 15 nuisance calls
- 3 livestock damage

Respectfully submitted,

R. H. JOHNSON,  
Dog Officer

## REPORT OF THE BOARD OF PUBLIC WELFARE AND THE BUREAU OF OLD AGE ASSISTANCE

To the Board of Selectmen,  
Town of Southborough, Massachusetts.

Gentlemen:

The Board of Public Welfare and Bureau of Old Age Assistance submits the following report of its work for the year ending Dec. 31, 1943.

Expenditures for General Relief	\$3,307.33
Collections turned into the Treasury	795.76

Net cost of General Relief to Town	\$2,511.57
Expenditures for Old Age Assistance	\$18,290.14
Reimbursements: Federal Government; State, City and Towns	13,734.42

Net cost of Old Age Assistance to Town	\$4,555.72
Expenditures for Aid to Dependent Children	\$1,353.63
Reimbursement: Federal Government and State	767.00

Net cost of Aid to Dependent Children to Town	\$586.63
---	----------

Our General Relief has dropped practically 50% in the past two years. The numbers on our roles are at a minimum at this time, although some of the individual cases require large amounts.

Our Old Age Assistance has dropped in numbers due to deaths and the administration of Chapter 489 of the General Laws of Massachusetts as passed on June 8, 1943. However, our expenditures remain about the same owing to increases in budget allowances by the State, due to the increased living costs.

This past year we have added to our Department, as Agent for our Board, as part-time worker, Mrs. J. M. Smith. She is enrolled under Civil Service and does all of the investigation and detail work for the Board. The expenses

of this work have been paid almost entirely by the Governmental Reimbursement for Administration and by the reduction of the Welfare Board's own salary from \$400.00 to \$150.00 per year. It has proved to be a very wise and helpful step forward in the administration of Public Welfare and Old Age Assistance in this Town.

Respectfully submitted,

HELEN BURNETT, Chairman  
ROBERT H. JOHNSON  
RUTH W. HARRINGTON

Board of Public Welfare and  
Bureau of Old Age Assistance

### REPORT OF MOTH SUPERINTENDENT

To the Honorable Board of Selectmen,  
Town of Southborough, Massachusetts.

Gentlemen:

I hereby submit my annual report for the year ending December 31, 1943.

The moth work during the past year consisted of creosoting gypsy moth nests during the winter months. Later during May and June all road side shade trees were given a thorough spraying in order to keep these pests under control.

The Fall Web Moth made its appearance this fall in large numbers.

This pest, however, is not a serious one and may not appear again for several years.

Eighty-eight private orchards were sprayed during the season.

Respectfully submitted,

WILLIAM H. ONTHANK,  
Moth Superintendent

## REPORT ON SOUTHBOROUGH SERVICE MEN'S FUND

All 75 overseas boxes which were ordered sent out. An estimate of 130 domestic boxes proved to leave a surplus of 7, and 2 were returned, so there are on hand 9 boxes. These contain nothing perishable, so are being kept for future use. Three men could not be located. Over 60 have acknowledged receipt of their gifts, and letters written directly to the Town have been placed in a book in Fay Library. Four men (or their families) requested that they be sent only Christmas cards, as they felt that the men on active service should receive the boxes.

## REPORT OF FIRE CHIEF

To the Honorable Board of Selectmen:  
Southborough, Massachusetts.

Gentlemen:

I hereby submit my annual report for the year 1943.

During the year the department answered 115 calls as follows:

Chimney Fires	6
Buildings	13
Autos	4
False or needless	1
Brush Fires	62
Still Alarms	17
All other calls	7
Out of Town calls	5

During the year there were 32 meetings held and fire drills were carried on as in the past.

The civilian defense unit has been functioning and some equipment has been received from the government; this has been placed to the best advantage for the town.

During the year there were 22,700 ft. of hose laid and 308 ft. of ladders raised.

Respectfully submitted,

JOHN W. BOLAND,  
Fire Chief

## REPORT OF FOREST WARDEN

To the Honorable Board of Selectmen,  
Southborough, Massachusetts.

Gentlemen:

I hereby submit my annual report for 1943.

During the year there were 62 fires that burned over an area of 257 acres. This is the worst fire record this town has had for a good many years. A great many of these fires were due to carelessness.

I am taking this opportunity to urge the people of Southborough to be especially careful when burning this year, as this department is short of help and a small fire may be very serious.

I would like to draw your attention to the fact that the law prohibits burning in the open from April 1st to June 1st. Owing to last year's record it will be necessary to enforce this law very strictly this year.

Respectfully submitted,

JOHN W. BOLAND,  
Forest Warden

### REPORT OF INSPECTOR OF ANIMALS

To the Honorable Board of Selectmen,  
Town of Southborough, Massachusetts.  
Gentlemen:

I hereby submit my annual report for the year ending December 31, 1943.

No regular farm to farm inspection was made during the past year. This inspection was omitted by order of the State Department of Animal Industry in order to conserve gasoline and tires.

However a cattle census was taken during July and August showing a drop of over one hundred head of cattle from the previous year.

Since that time a large number of "Out of State" cattle have been shipped in, so that we now have over a hundred head more than in 1942.

"Out of State" cattle released from quarantine	223
Cases of rabies	0
Number of persons bitten by dogs	8
Number of cattle reacting to tuberculin test	3

Respectfully submitted,

WILLIAM H. ONTHANK,  
Inspector of Animals

## REPORT OF SUPERINTENDENT OF STREETS

To the Honorable Board of Selectmen,  
Gentlemen:

The labor shortage was a serious handicap to the Highway Department this year but the maintenance work was carried on as much as possible.

There were 300' 18" and 140' 12" Concrete Pipe installed, six catchbasins and two manholes constructed on Boston Road, East Main and Winchester Streets.

There was new drainage construction on Main Street, Flagg and Southville Roads. Also relaying of drain pipes on Pleasant and Winter Streets.

The Highway Department men worked 2887 man hours for farmers, townspeople, and other town departments who requested help.

The Highway trucks worked 120 hours and covered 775 miles in 10 Scrap Drives.

Due to the scarcity of labor I recommend the town purchase a Power Sand Spreader to spread sand on Tar and Asphalt.

Respectfully submitted,

ROBERT W. SEALEY

Superintendent of Streets

## REPORT OF TREE WARDEN

Honorable Board of Selectmen,  
Southborough, Massachusetts.  
Gentlemen:

I hereby submit my report for 1943.

The only tree work that was done this year was what was absolutely necessary, such as removal of dead branches or the topping of dangerous trees. This was due to the labor situation which I hope in the coming year will be eased. As soon as labor becomes plentiful, considerable more work

will have to be done as there has been no normal high tree trimming for the past two years.

The spraying was thoroughly done. The Dutch Elm disease is increasing in the western part of the state and is now spread pretty well over Berkshire County. Because of this, special attention was given to the spraying of elms in order to eradicate, if possible, any beetles that might be harbored in the bark of these trees.

There is a slight increase in the budget for the coming year as it has been necessary to buy arsenate of lead, which was omitted from the budget last year, as the carry-over from 1941 was sufficient.

A statement of expenditures and receipts will be found in the report of the Town Accountant.

Respectfully submitted,

HARRY BURNETT,  
Tree Warden

## REPORT OF THE PLANNING BOARD

Board of Selectmen,  
Town of Southborough, Massachusetts.  
Gentlemen:

In accordance with the General Laws, Chapter 41, Section 71, we hereby submit our annual report.

The planning board has felt that, due to travel restrictions and war time conditions which would prevent proper attendance at hearings, the time was not appropriate to hold hearings relative to the proposed zoning laws presented to the town in the 1943 Annual Report.

The planning board has devoted its time in revising and improving the aforementioned zoning laws.

Meetings are held on the last Tuesday of each month.

Respectfully submitted,

ERWIN L. SMITH, Chairman

**ANNUAL REPORT**  
**OF THE**  
**School Committee**  
**OF**  
**Southborough, Massachusetts**  
**For the Year Ending December 31**  
**1943**

## REPORT OF THE SCHOOL COMMITTEE

Your Committee submits respectfully its report for the year 1943:

In accordance with the program of keeping the school properties in safe condition and good repair it has been necessary to do a considerable amount of work during the past year.

The fire escapes on the High School Building have been completely repaired and a new fire escape door was installed in the gymnasium. The obsolete wiring and electrical fixtures in the Manual Training room were replaced completely with a modern system, thus eliminating a serious safety hazard.

The High School Building was painted two coats on the outside, the stucco portions repaired, and the windows weatherstripped and reputtied throughout.

Hot water has been piped into the Domestic Science kitchen and a much-needed gas stove and dishwashing machine furnished for the use of the Domestic Science Department and Cafeteria. New tables have been secured for the sewing room, and additional tools and equipment for the Manual Training Department.

The furnaces in the High School Building have been equipped with regulators and their use has resulted in considerable saving of fuel. In the Annex new curtains have been installed.

At the South Union School two new ventilators were provided and the driveway tarred.

For details as to the academic progress of the school system we refer you to the reports of the Superintendent and Principal.

During these trying times we are proud to report that the School System has been functioning most satisfactorily, and again this year the Committee expresses its appreciation to Superintendent Henry G. Blount, Principal Albert S. Woodward, and the Teaching and Maintenance Staffs for their faithful service and complete cooperation.

Respectfully,

EDMUND H. BULLARD  
PAUL J. REDMOND  
JAMES G. STOCKWELL

### IN MEMORIAM

In behalf of all we wish to express deep sympathy to the Family of Mr. William E. Wentworth, who for many years served the Southborough Schools in a kindly and faithful manner.

EDMUND H. BULLARD  
PAUL J. REDMOND  
JAMES G. STOCKWELL

---

To the Southborough School Committee,

Dear Sirs:

It gives me pleasure to submit the report of the Superintendent of Schools which is the eighteenth in my series of annual reports.

A great deal of concern is felt in school administrative circles throughout the Commonwealth over the maintenance of an adequate supply of teachers. In the fields of physical education, mathematics, sciences, and manual arts there is known to be a definite shortage of instructors at the present time. According to a report issued by the Department of Education of the Commonwealth dated December, 1943 there are one hundred twenty-seven positions unfilled and three hundred eighty-six teachers in service who do not meet the requirements which are expected in normal times. The surplus of teachers existing in normal times has been practically exhausted. This condition has led to a sharp rise in salaries particularly during the past year. In addition, the minimum salary fixed by law has risen to \$1,000.00 in towns whose valuation is less than \$2,500.00 and to \$1,200.00 in other towns and cities. The report also shows that the average salary of high school instructors was approximately \$1,400.00 during the school year 1942-1943 and that the highest salary paid was \$2,700.00 in towns whose population is less than 5,000.

February, 1943, Miss Helen Gardner resigned and Mrs. Hazel Fuller was elected to fill the vacancy. Mrs. Fuller is a teacher of experience. Miss Carolyn Smith, teacher of French and English, resigned in June to enter the business field and she was replaced by Miss Judith Brooks. Miss Anne Pignatelli, who resigned in June, was replaced by Mr. John Meegan as instructor of science. Mr. Meegan also assumed duty as instructor of physical education. Miss Delia Davis resigned in June and was replaced by Miss Effie Vranos. Miss Olive Draper, teacher of Grade IV at Peters High School, resigned, to be replaced by Mrs. Margaret Cronin.

The attendance has been interrupted to a considerable extent by illness in all of the schools. This is a condition that multiplies the responsibilities of teachers since it requires that a great deal of classroom work missed has to be made up. This problem has been met and the year's work rounded out satisfactorily.

The high school enrollment has dropped considerably due to the enlistment and drafting of boys and to the fact that boys attracted by the good wages paid have entered industrial plants. This trend away from high school is characteristic of all high schools everywhere and in all probability smaller enrollments are to be expected for the duration.

The sale of War Savings Stamps and Bonds has continued through 1943 in all grades. The administration of this program reflects credit on the teachers. Pupils are setting up savings accounts that will be of real service in the future and what is more commendable are exhibiting a high order of patriotic service. Two schools, Fayville and Cordaville, have been honored with the Treasury Flag for having met a fixed quota of sales.

In October the teachers of the public schools assisted by citizens of Southborough distributed War Ration Book 4. Approximately two thousand books were given out. Appreciation for the help rendered by Southborough residents is herewith expressed.

Lunch has been served at the High School to all pupils desiring it and milk at all of the town's schools. In September the number of meals served at the High School rose considerably. Here balanced meals are served at a nominal cost since a portion of the cost is reimbursed through the Federal Community Lunch Program.

I wish to convey to the Committee my appreciation of the opportunity of serving with them in promoting the interests of the public schools.

Teachers have carried on under difficult conditions with admirable patience and resourcefulness. I should like to express to each teacher and principal by heartiest appreciation of their good work.

Your attention is called to the reports of the High School Principal, the school health examination, and the reports of the Drawing supervisor and supervisor of Music.

Respectfully submitted,  
H. G. BLOUNT,  
Superintendent of Schools

## REPORT OF PRINCIPAL OF PETERS' HIGH SCHOOL

Mr. Henry G. Blount,  
Superintendent of Schools,  
Southborough, Massachusetts.

Dear Sir:

Herewith I submit my annual report for the High School for the school year ending December 31, 1943.

At the beginning of the school year in September, the enrollment showed about an eight per cent drop over the year before.

There have been three changes in our teaching staff. Miss Brooks takes the place of Miss Smith in English and French; Mr. Meegan takes the place of Miss Pignatelli in the Arithmetic and the Sciences; and Miss Vranos takes the place of Miss Davis in History and Geography.

The average daily attendance in the High School has shown a decided drop through the months of November and December due to the prevailing epidemic of colds and mild cases of flu. We had no epidemic of measles, mumps or other infectious or contagious diseases.

Due to gasoline rationing, our athletic activities have been confined to basketball for both boys and girls. Mr. Insani has coached both the boys and girls in basketball. A schedule of ten games for the boys and eight games for the girls has been arranged. We hope that baseball may again be played in the coming spring.

For the first time, a physical program for boys and girls has been instituted under the direction of Miss Brady for the girls and Mr. Meegan for the boys. These classes meet twice a week for three quarters of an hour. The girls have gymnastics, dancing and basketball. The boys have setting-up exercises, basketball for four teams made up of all the boys. One of the days the boys have military drill in the St. Mark's cage under the direction of St. Mark's masters and older boys. Mr. Meegan has supervision over them while at St. Mark's cage.

Practically all the Senior boys are taking either Algebra, Review Mathematics or Trigonometry. They are also enrolled in the course in Physics. These subjects are in line with the needs of the Army for a boy's advancement when he is inducted for service.

This year the name of our school paper was changed to Peters Piper. It is being edited by the Senior Class under the direction of Miss Hayward and Miss Brooks, and is being done well.

The lunchroom is sponsored by the Parent-Teacher Association under the plan laid down by the government through the State Department of Education. So far it has proved to be very satisfactory, although it entails a considerable amount of bookkeeping and government reports. Mrs. Robbins and Mrs. Woodward do the planning and preparing of the meals. Mrs. Watkins assists on four days a week. So far an average of 130 pupils a day have patronized the lunch. The cost of the lunch is fifteen cents for pupils in grades 7 through 12 and twelve cents for pupils in grades 1 through 6.

In the manual training department, model airplanes have been made. They were accepted by the Army Air Corps located at Middletown, Pennsylvania. Some of the boys are still making airplanes, while others are making book ends, wall shelves, boats, footstools, necktie racks, nut and fruit bowls, and letter holders. Some mechanical drawings on different projects have also been made.

In the Domestic Science classes, blouses, dresses, jumpers, one evening gown, and dickies have been made. They are now working on a second project, making skirts.

In conclusion, I wish to thank the School Committee for their help and support, the teachers for their cooperation, and Mr. Blount for his many helpful suggestions and advice.

Respectfully submitted,

ALBERT S. WOODWARD, Principal

## REPORT OF SUPERVISOR OF MUSIC

Mr. Henry G. Blount,  
Superintendent of Schools,  
Southborough, Massachusetts.

My Dear Mr. Blount:

Once again I have the distinct pleasure to submit my annual report as Supervisor of Music of the schools of Southborough, Massachusetts.

In days such as these we come more to fully realize the more valuable things in life. Music is one of these great values, for it is one of the best and simplest of all expressions of man.

The American people have come to greater realize, that through the exponent of music, great values might be given their children.

Once again I would like to repeat one of my strong beliefs—Music contributes to the general aims of education, namely: health, command of fundamental processes, worthy home membership, vocations, citizenship, worthy use of leisure time, ethical character and the like.

I shall give a general outline for the school music program once again:

In the lower grades is begun the foundation for music through the medium of musical experiences, musical reactions, participation, listening and discussion. During the early grades a great deal of rote singing is used. The technical matters of music are introduced in the second grade and gradually progressed throughout all the grades. These are presented in such a manner which is understandable to a child with a given age, and correlative with his other studies. The following essentials are emphasized throughout the whole program, namely: tone quality, intonation, diction, phrasing, balance, and rhythm. Individual work is strongly encouraged in all grades. Part singing is introduced late in the fourth grade and advanced accordingly.

In the Junior High School, the program introduced in the lower grades is fully developed. Hence, there is not a separate program, but a continued one. The main emphasis is based on chorus singing. The period in which a junior high school pupil is passing is quite a difficult one. Music is an important factor in his mental and emotional development. The material used in the Junior High School is of a matured nature. It is a material that appeals to the interest and enjoyment of the junior high school pupil.

In the Senior High School there is organized a mixed chorus to take adequate care of the musical needs and interests of students of their age.

We are indeed very fortunate to have this great value offered to the school children of Southborough, Massachusetts. The teachers, who so ably carry on the program, deserve the greatest of praise.

Once again, I wish to express my grateful appreciation to you, my Superintendent, the School Committee, the teachers, and the townspeople for all assistance, support, and co-operation at all times.

Respectfully submitted,

ELVIRA P. SAMMIS,  
Music Supervisor

### REPORT OF SCHOOL NURSE

Mr. H. G. Blount,  
Superintendent of Schools,  
Southborough, Massachusetts.

My dear Mr. Blount:

It gives me great pleasure to submit my annual report for the year ending December 31, 1943.

Two dental clinics were held.

Number of—

Children receiving some dental care	111	105
Children with work completed	94	95
Fillings	173	140

Extractions	51	33
Cleanings	110	102

It is gratifying to notice how much less work there is to be done when children's teeth have regular dental care.

Dr. Folsom conducted a Diphtheria Prevention Clinic in May, 1943. Seventy-eight children were immunized.

The usual Well Child Conference was not held due to scarlet fever outbreak. We hope to hold one in the spring.

The annual physical and dental examinations were held in September. Dr. Folsom stressed the importance of posture to good health.

Two girls were sent to Sterling Health for the summer.

The school census was taken in October.

We have had a large number of cases of contagious disease—measles, whooping cough, German measles and scarlet fever, also seven cases of pediculosis.

I would like, at this time, to stress to parents the importance of not sending their children back to school too soon after they have been sick. No one can work properly when they are half well and good health is far more important than good marks.

In conclusion, I wish to express my appreciation of the fine co-operation I receive from you, the teachers and the parents.

Yours truly,

MARY A. BAKER, R.N.

### REPORT OF ART SUPERVISOR

Mr. Henry G. Blount,  
Superintendent of Schools,  
Southborough, Massachusetts.

Dear Sir:

I herewith submit for your consideration my annual report as Art Supervisor of the Southborough Schools.

In conference with other supervisors of art, the various methods of teaching and presenting art programs has been under discussion. The modern progressive approach is favored by some, but invariably the older method of teaching

the fundamentals is given preference over the new idea of absolute free expression. This has its place, and in some instances excellent results are produced. The children do enjoy expressing themselves but need guidance. A happy medium seems to work better in our system. This is a good solid foundation in all the fundamental principles first, and creative work later.

One of the interesting projects this year was making Victory Garden Posters. The subject was thoroughly discussed, first with many enlightening points for all concerned. All the grades participated in the activity. We hope their endeavors carried over to the homes and proved a source of inspiration to parents and neighbors in this national undertaking.

We endeavor to have problems and projects that are pertinent to the times in subject matter and interest. This includes problems to do with our South American neighbors, our allies, and anything pertaining to the service or national affairs. In many instances these projects correlate the art with music, history, geography, health, civics and even arithmetic. I feel that whenever possible we have a much more valuable art program if we can, even indirectly, intertwine our work with other subjects in the curriculum. This is true also if we try to meet needs of our own community.

My most sincere appreciation to you as Superintendent of Schools, the School Board, the teachers, and townspeople, for cooperation at all times.

Respectfully submitted,

MARGUERETE ELLIOTT PEASLEE

## CLASS SONG

To the tune of Moonlight on The Colorado

Music by Robert A. King

Words by Mary Johnson

Together here tonight our hearts are drifting,

To all the things we've done in years gone by,

And through our minds these thoughts are slowly sifting,

And way down deep these thoughts will never die.

Friends we'll leave behind

But we'll remember

Years at Peters High we spent with you

Of our friendships there'll remain an ember

Of each classmate all so tried true

Freshman and sophomore, junior, senior years

All have been one space of time.

Now we're looking back for one remembrance

And we find it's gathered all in you.
